Financial Policy and Agreement

Insurance:

As a courtesy to our patients, if we are in network with your insurance provider, we will gladly file the forms necessary to see that you receive the full benefits of your dental coverage. If we are out of network, you will be responsible for payment at the time of treatment, and will be reimburse once insurance payment is received. We ask that you read your policy to be fully aware of any limitations of the benefits provided. *Please note: Many plans have frequency limitations pertaining to a number of the procedures done in our office. These limitations may change from benefit-year to benefit-year. If you are concerned about coverage for these services, please contact your insurance company prior to your visit.*

If your insurance company denies coverage, or we otherwise do not receive payment 30 days from filing your claim, the amount will then become due and payable by you. Remember that your coverage is a contract between you and your insurance company and/or your employer and your insurance company. Although we will make a good faith effort to assist you in obtaining your benefits, we cannot force your insurance company to pay.

Estimates:

Our practice software enables us to estimate your insurance benefits after the dentist has identified any necessary treatment. Regardless of estimated insurance coverage, any fees incurred for services received will be your financial responsibility.

Your Payment is Due at the Time of Treatment:

The estimated uninsured portion of your dental treatment fees is due at the time of service.

Payment Options:

For your convenience, the following options are available:

- Cash or check (returned checks will be subject to a \$35 return check fee. If the check is returned for any reason, your account becomes due and payable within 7 days).
- Credit Card and Debit Cards: Visa, MasterCard, Discover and American Express

Appointment Cancellations:

We gladly reserve appointment times for your children. As a courtesy, we will attempt to remind you of your appointment 4,3, and 2 days prior to your appointment (by email, text, and phone call respectively) if you have yet to confirm. In the event that you have not provided us with a mobile number, have designated our sending email address as spam, your mailbox is full, or line is busy, our efforts to contact you may be unsuccessful. An appointment is a contract of time reserved for your child's/children's treatment. We respect our patients' valuable time and we request the same courtesy from our patients. Please extend this courtesy should you need to cancel and/or re-schedule your appointment. **There will be a \$50 charge for broken appointments that are cancelled less than one full business day prior to the date of the appointment.**

Patient/Parent/Guardian Responsibility:

- I understand that whoever accompanies my child to the dental appointment has authorization to consent to dental care as needed, and is responsible for payment of dental services.
- I acknowledge my responsibility for payment of all dental services provided by Drs. Wilbur and Berdahl in accordance with their fees and terms.
- In cases where a parenting plan exists, the parent that brings the child for the appointment is considered the guarantor and is responsible for payment. They may then seek reimbursement from the other parent.
- I understand that this account becomes delinquent if not paid within 60 days after billing and that, at that time, the unpaid balance will be subject to a financial charge of 18% annually. Any further delinquency will warrant the account being assigned to a collection agency. All charges incurred from the collection agency as a result of the delinquent account will be the responsibility of the parent/guardian.

Assignment and Release:

I authorize payment to be made directly to the dentist by my insurance company and I accept financial responsibility for all services not covered by my insurance. I authorize release of any dental care information requested by my insurance company.

My signature below acknowledges that I have read and understand this information:
